**COMMENTS:**

**WAIVER FOR INSUFFICIENT SAMPLES**

Artistic Finishes/MoldingsOnline requires at least four flooring planks to show the color range of the flooring. Since grain patterns and the natural color of the wood vary, it is difficult to blend to a small sample. We have not received adequate samples for this order and we will do our best to blend to what we have; however, we cannot guarantee the color will be as expected. This custom blend will be a final sale, meaning no returns will be accepted for this order. Please sign and date below to acknowledge you understand and agree to these terms.
